### PROFESSIONAL WORK EXPERIENCE

#### Senior Proposal Manager | Cloudflare, Inc.

Remote, Jul 2024 – June 2025

- Extensive experience responding to Federal, State and Local entities (DoD, DHS, DoS, Dept. of Energy, U.S. Dept. of Ed, USDA).  
**Projects include:**
  - Distributed Denial of Service (DDoS) Protection Landscape NCI Agency Reference: RN-424211-DDoS (DDoS NATO RFI)
  - Defense Information Systems Agency - CDI Cyber Survey
  - Dept. of Energy PPPO SEWP WAF RFI
  - Dept. of Ed FUTURE Industry Engagement 2025
- Managed all aspects of the SaaS proposal response lifecycle, coordinating with account executives, pre-sales engineers, and legal to produce RfX responses for large-scale enterprise clients.
- Oversaw and optimized the Responsive (RFPIO) content management library; ensured knowledge base accuracy for scalable boilerplate proposal materials.
- Delivered high-impact proposals supporting opportunities valued between \$1M–\$10M in ACV, achieving 100% on time submissions.
- Led daily stand-ups and check-ins to track RfX progress, enforce deadlines, and meet milestone gates in high-velocity proposal cycles.
- Managed cross-functional proposal teams across Sales, Solution Architecture, Finance, Legal, and Delivery, coordinating high-visibility, deadline-driven pursuits with multi-million-dollar revenue impact.
- Developed and maintained automated proposal tracking systems and standardized templates to reduce cycle time while improving response consistency and executive-level messaging.
- Mentored and coached proposal contributors and SMEs on persuasive writing, compliance rigor, and executive narrative development, elevating overall proposal maturity across the organization.
- Oversaw content lifecycle management, including version control, metadata tagging, and continuous improvement processes to ensure readiness for rapid-response opportunities.
- Collaborated directly with senior leadership to forecast proposal workloads, allocate resources strategically, and balance proposal center capacity against sales pipeline growth.

#### Senior Proposal Manager | Hitachi Solutions America, Ltd.

Remote, Feb 2023 – Jul 2024

- Owned the end-to-end RFP and RFQ process for Hitachi's Microsoft-based cloud and business application services portfolio.
- Led proposal project teams consisting of Business Development Directors, Solution Consultants and Architects on RfX projects with 100% on-time submission rate.

- Led RFP engagements within Commercial, Federal, State and Local entities (DoD, DHS, DoS, USDA) and business sectors with knowledge of government regulations such as FAR/DFAR.
- Created scalable proposal response workflows using Responsive (RFPIO), leading to a 200% increase in proposal throughput.
- Built and maintained a centralized proposal knowledge base with over 1,500 curated pieces of reusable content, enabling efficient proposal turnarounds.
- Developed and led bid/no-bid discussions, compliance matrices, proposal schedules, and detailed proposal plans aligned with internal stakeholder requirements.
- Directly reported to the Vice President Pre-Sales while managing, coaching, and developing a team of 15 composed of proposal managers, architects, and solution consultants.

#### **Senior Proposal Manager | Oracle Corporation**

**Remote, Nov 2018 – Nov 2022**

- Managed end-to-end proposal response process, coordinating kickoff meetings, bid resources, schedules, legal signoffs, editing, quality control, and document coordination.
- Led RFP engagements within Commercial, Federal, State and Local entities and business sectors utilizing knowledge in FAR/DFAR, Task Force, and IDIQ-based submissions.
- Completed and supported one of the largest partner-led Federal opportunities within the first quarter on a new team with a \$1.7 MM ACV.
- Successfully delivered over 200+ Request for Proposals (RFPs) on time and of high quality. • Utilized proposal knowledge base and collaborated with in-house SMEs to gather accurate and appropriate data for responses.
- Supported ongoing use and maintenance of knowledge base, submitting new information on company products and services.

#### **Oracle NetSuite Global Business Unit**

- Supporting large-scale NetSuite RFPs, RFIs, and RFQs across multiple verticals such as tiger, retail, emerging tech, and nonprofit.
- Collaborated with cross-functional teams such as compliance, legal, support, and product teams to create winning proposal content.
- Maintained NetSuite's proposal library (Qvidian) and coordinated document management using NetSuite Opportunity Records and Oracle Cloud tools.
- Single-handedly led 17 strategic proposals that generated multi-million dollar ARR in new business in Q1 (2021), team and departmental recognition as MVP recognition.
- Extensive experience responding to Federal, State and Local entities (DoD, DHS, DoS, Dept. of Energy, U.S. Dept. of Ed, USDA)

##### **Projects include:**

- Dept. of Homeland Security - ICE RFP EBS Financials
- Consulting - A4X2XM - Department of Energy, Savannah River Operations Office (AIKEN, US)
- Consulting - A527FF - Bonneville Power Administration (VANCOUVER, US)
- Federal Navy Next Gen RFI
- DHS CUBE RFP

#### **Proposal Writer (Contractor)**

**Chicago, IL, May 2013 – Nov 2018**

- Produced tailored RFX responses for clients such as JP Morgan Chase, Allstate, and Quad Graphics, ensuring compliance, consistency, and strategic messaging.
- Streamlined proposal documents across lines of business including financial services, technology, and insurance.

#### **Proposal Coordinator | Walgreen Corporation**

**Deerfield, IL 2010 – 2013**

- Managed RFP submissions for pharmacy benefit management (PBM) and managed care proposals, including content review, editing, and deadline tracking.
- Maintained searchable content libraries using PMAPS, SharePoint, and developed sales and pricing documentation.
- Edited and proofed proposal cover pages, letters, executive summaries, resumes, and proposal responses.
- Maintained and updated team repository in PMAPS database for search and archival retrieval of customized responses.
- Facilitated sales, marketing, and pricing documentation for pharmacy services, PBM, and Managed Care RFPs.
- Developed strong relationships with key senior-level executives and cross-functional teams.
- Managed office inventory process, tracked executive schedules, and secured executive signatures.

### **EDUCATION**

#### **Bachelor of Science Degree, Southern Illinois University Carbondale**

**Carbondale, IL**

Journalism; Advertising & Integrated Marketing Communication (IMC), minor in English
